

Did you know that Sioux Falls is planning to be a “smart city?”

Did you hear any presentation for this?

Were you allowed public input on this decision (which it seems, has already been made for you?)

Do you know what's involved, what this is sure to cost the city (an estimated 40 billion dollars, on the average); or what costs may trickle down to you, the taxpayer?

Do you know the good, the bad and the ugly of today's developing smart cities?

Here is where you can find those answers:

Though some of these issues have probably already been vetted somewhat by the mayor and a few city planners, one thing this article neglects to consider is this: remember that this is all based on an unstudied, unregulated, untested 5G network, a network I have already presented the majority of this city with details on. Remember, the definitive infrastructure for these cities, from the lowest pipe to the tallest brick of your skyline is WIRELESS AND CLOUD TECHNOLOGY. Not only will this have the potential of literally bathing us in unavoidable wireless radiation at all times, it will also have the potential of absolute Governmental and law enforcement control of every aspect of your lives, in that all of your personal data will be stored in one place, more than likely accessible by only those of this city's Government.

Consider also that the same waves used in airport scanners (which in case you weren't aware can see through any substance, including walls, smoke and fog) will be used by the 5G infrastructure and its related frequencies. Added to CCTV, the potential of total control of every part of your lives is UNFATHOMABLE AND CANNOT CURRENTLY BE IMAGINED.

Do you have this kind of absolute trust in those who run your city to allow this life-altering effort to continue? Keep in mind, the same people made these decisions for you, more than likely, without you.

Enough said. Carry on.

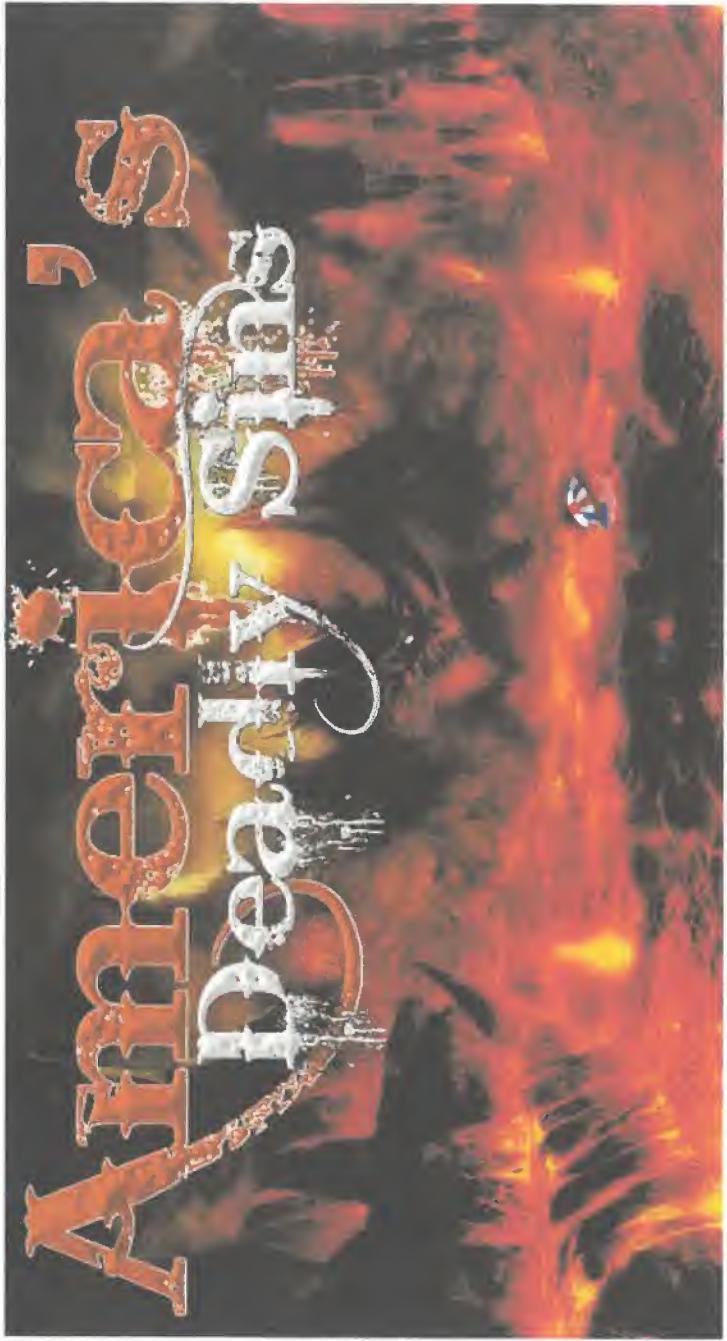

Christopher William, The Living Man

What is Existential to democracy is allowing Totalitarian Regimes – or any government-Full knowledge of everything you do at all times – Because the tendency is always going to be to want to regulate how you think, how you act and what you do.

- 5G requires trees be 3m shorter than the mast (small cell towers are now called “masts”) to insure the best transmission of the signal. This means that trees taller than this will need to be cut down. In the UK, where it is up and running, there have been 110,000 trees removed for 5G down to their unremoved stumps; though no one is actually coming right out and saying that’s the reason for it. (We’re currently removing diseased Ash Trees. What’s next...Dutch Elm Disease?)
- The waves used for this will be able to see through smoke, fog...and even walls, just like airport scanners. 5G will be like living in an airport scanner 24/7, 365 days a year. In addition, they want everything smart, and every product sold will soon have chips inserted into them. All will be using the same waves. You will no longer have a lick of privacy, no place or time alone with a loved one, no more private meals with your family, nowhere the discussion is closed, no place that your speech and thoughts will be your own, only, or free in any way.
- The world is run by frequencies and vibrations. So is the human body and its functions. 5G spectrum auctioned off presently violates these same frequencies. Any of the frequencies intended to be used may, say, just stop your heart...or cause your kidneys to fail. More so, your BRAIN is very much attuned to the same frequencies. The possibilities for real-life mind control are UNFATHOMABLE!
- The next step for cell phones? THEY WANT TO INTEGRATE THEM INTO YOUR HEADS.

Hello fellow citizens of Sioux Falls. You may remember me as the guy who passed out information to you about the 5G Beast System. I'm afraid there's more bad news. The American Dream is over. It's time to wake up to reality.

FACT: Your country is a country with a de facto Government that only has GRANTED judicial or Governmental authority over only 10 square miles of land – Washington D.C. proper. Everything else is GOVERNMENTAL OVERREACH.

FACT: The United States of America is a BUSINESS, NOT A COUNTRY; has been since 1800, officially since just after the civil war. It is a CORPORATE FICTION...a BUSINESS. THE STATE OF SOUTH DAKOTA is a BUSINESS. The COUNTY OF MINNEHAHA is a BUSINESS. The CITY OF SIOUX FALLS is a commercial BUSINESS. What is the purpose of a business? GUESS.

FACT: A corporate fiction can only affect ANOTHER corporate fiction. Therefore, you are a corporate fiction, thanks to the 14th Amendment to the Constitution that defines you as a "U.S. CITIZEN"/Person. As such, per this definition, you are a corporate fiction. That means that each and every one of you is a COMPANY (look up the word "person" in Black's Law Dictionary.)

FACT: (CPS) Child Protective Services and "The Foster Care System" are officially proven to be 88% responsible for ALL of the missing, dead and sex-trafficked children in this country. The Supreme Court of this country, by the way, ruled that social workers are allowed to lie in the removal of your children;

can take them simply based on hearsay, are immune to perjury charges; are completely IMMUNE TO ALL SUIT and are IMMUNE TO FEDERAL CODE ITSELF. Why???? And, Health and Human Services, Washington D.C. (CPS) is also A BUSINESS; NOT A BRANCH OF "GOVERNMENT."

FACT: Every "court" in this country is a Nisi Prius court; NOT A COURT OF LAW (Article III); are operating with no jurisdictional power over anyone, and are tasked with a. Making money, though the acts of repossessing our rightful property and bringing us up on victimless charges and jailing us; b. Taking our guns; and c. destroying families; in order to weaken our strengths and prepare our country for a United Nations Takeover. The more this fact is exposed, the faster the courts work to do all of the above.

FACT: Every birth certificate drawn up and assigned to any individual in this country is immediately monetized, is worth millions, and is traded on the Stock Market. They are, in fact, SHARES.

FACT: You do not own your HOUSES, or the land they sit on. Your home is designated "Residential", a COMMERCIAL term, so that it can be property taxed. You own a HOME, AND IT IS PRIVATE PROPERTY. Call your tax assessor today and tell him to FIX YOUR DESIGNATION. If he won't, sue him for tax fraud.

FACT: The U.S. Supreme Court has deemed that police can lie to you 100% in order to accomplish your arrest and has also ruled that they are under no responsibility to "Protect and Serve" you. What ARE they for, then?

FACT: Lawmakers, Police Officers, Governors, Judges, Lawyers, County Attorneys, and every other elected official on every level, City, State, County and Federal; are ALL immune to every kind of prosecution brought by the people and can commit crimes against you and violate your rights absolutely without consequence, anytime they feel like it.

FACT: 5G (The New Cell Phone service upgrade) is absolutely DANGEROUS, involves the launches of 20,000 satellites into space (compared to the 2,000 we have now) that will carry the ability to see right into your homes, putting up cell phone towers every 2-10 homes and will be totally invasive into EVERY ASPECT OF YOUR LIVES...and will continuously subject every person in this country to DEADLY SPACE RADIATION 24 hours a day, wherever you go.

FACT: You are not living breathing human beings in the eyes of court and probate, you are declared dead within 24 hours of being born; are not EVER in possession of a single protected right and have no more voice than a rock or a member of a herd of cattle. You are, in fact, corporate PROPERTY.

FACT: The BAR (which stands for "The British Accreditation Registry) has hijacked our entire judicial system. Most of the time, even WITH a lawyer, you lose these days (see page 1, fact #2).

FACT: The police are trained to see you as inhuman scum, and you are considered to be AN ENEMY OF THE STATE. Every time you are stopped, it is to only elevate the stop to a DUI or a drug bust, or, if all

else fails, to issue you a ticket to pay. No more warnings, and **EVERY** offense can now be a jail-able offence.

FACT: "The Law", Rules, Codes, Ordinances and Statutes are **NOT REAL LAW**. There is only one law, and it's one sentence long: Do no harm. Do no harm, and you cannot be jailed or charged for **ANYTHING**. No victim, no crime.

FACT: You do not need a driver's license, per THE UNIFORM COMMERCIAL CODE ITSELF. Only those that drive in INTERSTATE COMMERCE, or for the Government need a license to drive. You also do not need to register, insure, or title your CAR. When you call it a VEHICLE, or when you are DRIVING, you are engaging in INTERSTATE COMMERCE. You are not ever driving, YOU ARE TRAVELING. PERIOD. The U.C.C. is for commercial activities. So why has it been applied to EVERYONE (see page 1, fact k#2)?

FACT: The U.S. DOLLAR is worth **NOTHING**. It hasn't been worth anything since 1933, WHEN PRESIDENT WILSON signed "The New Deal"; and Roosevelt ordered the theft of **EVERY OUNCE OF GOLD** from every American citizen at gunpoint by the FBI. Your money is **WORTHLESS**. We do not have GOLD in Fort Knox. It was given to international bankers decades ago as interest on the national debt we've incurred to international bankers (in order to use their federal reserve notes or DEBT NOTES), and **YOU, YOUR PROPERTY and ALL YOU OWN ARE SECURITY FOR THE NATIONAL DEBT**.

FACT: Modern medicine is not meant to get you well, it's there to **KEEP YOU SICK**, in order TO **MAKE PHARMA COMPANIES AND DOCTORS RICH**. Natural cures for cancer **HAVE EXISTED FOR CENTURIES** and are constantly kept from you in order to **KEEP YOU SICK AND DYING**. Diabetes II has had a cure for a long time. Vaccines do **NOTHING** to prevent disease. **VACCINES DO NOT PREVENT DISEASE, THEY CAUSE THEM**. A lady scientist once found RETROVIRUSES in vaccines, and published a paper stating it. She was arrested, jailed and discredited. Now the Government/pharma companies are making claims that they are discovering this as well and garnering all the credit for telling us this.

FACT: FLUORIDE THAT'S PUT IN YOUR WATER SUPPLY IS NOT NATURALLY OCCURRING...IT'S AN INDUSTRIAL POISON MEANT TO KEEP THE POPULATION DRUGGED AND DOCILE. This same poison was poured into the water supply of prisoners in concentration camps in NAZI GERMANY. It isn't good for your teeth...IT DESTROYS THEM (Why do you think 3 out of 4 dentists recommend it?)

FACT: GMO'S ARE POISONING AND STARVING YOU. They have been banned in every country, and in the E.U. ONLY THE UNITED STATES STILL ALLOWS THEM. They have been proven to have **NO NUTRITIONAL VALUE WHATSOEVER COUNTLESS TIMES**.

FACT: The bees are being killed by ROUNDUP, and other pesticides. Autism, a disease that DID NOT EXIST BEFORE 1970, is linked to these same pesticides, as well as to preservatives in VACCINES; those that are mandated to be GIVEN TO OUR CHILDREN (72 of them before they are 5. How many for was it for us? 3?).

FACT: CLIMATE CHANGE IS AN ELABORATE HOAX PERPETRATED BY THOSE OF THE U.N. and IS RECOGNIZED AS SUCH BY 300,000 SCIENTISTS IN ONLY THE U.S., let alone in the rest of the world. Climate change is used to justify spraying us with chemicals and heavy metals using aircraft.

FACT: 1 out of 2 Americans today work for OR ARE SUB-CONTRACTED BY the Government, on some level or in one way or another. That means that 1 out of 2 Americans today CANNOT BE TRUSTED TO DO THE RIGHT AND MORAL THING.

FACT: The Bayer Corporation and the executives that run it have direct ties to AND COMPLETELY FINANCED EVERYTHING IN NAZI GERMANY, AS WELL AS SEVERAL CONCENTRATION CAMPS; INCLUDING AUCHWITZ. This is the company that has the best-selling CHILDREN'S ASPIRIN, and was shown to be PERSONALLY and totally responsible for the manufacture and spread of the AIDS VIRUS and were well aware of that. After WWII, we put 30,000 Nazi war criminals to work for us in our country. Our Government, by the way, greatly admired the Nazis.

FACT: 911 Was An INSIDE JOB. PRESIDENT BUSH WAS IMPLICIT IN THIS FRAUD, WHICH COST OVER 3000 AMERICAN LIVES.

FACT: Watergate was Richard Nixon's attempt to find files that the Democrats were holding that implicated the Republican party was involved in SEX TRAFFICKING AND PAEDOPHILIA.

FACT: GOVERNMENT PROPAGANDA IS LEGAL. OBAMA LEGALIZED IT AGAIN. THEREFORE, NO NEWS IS GOOD NEWS.

FACT: YOU ARE CONTINUOUSLY BEING SPRAYED WITH ALUMINA, WHICH CAUSES DEMENTIA AND ALZHEIMERS. This heavy metal added to Strontium and Barium are sprayed on you daily. There are, at present, 172 bills (most are "secret bills"), asking for more spraying of our skies, in the U.S. HOUSE.

FACT: The Obamas, the Bushes and the Clintons are easily the 3 most criminal couples to ever hold the office of President (or other office) in this or any other country; and have done (and STILL DO) more to destroy it and its values and principles more than any other Presidents that we've had...including Wilson.

FACT: YOUR LOCAL GOVERNMENTS ARE AWARE OF A GOOD PORTION OF ALL OF THIS; are CERTAINLY AWARE OF THE FRAUD; AND ALSO CANNOT BE TRUSTED.

FACT: If you don't wake up and stand up now, you and America as a whole; will all be dead in 15 years or less. Realistically, it's more like 5. I say no more than 1 year.
